

First Announcement

International Conference on Condition Assessment, Rehabilitation & Retrofitting of Structures (CARRS) 11-13th December 2025 Indian Institute of Technology Roorkee

About CARRS

CARRS is designed to be a knowledge exchange platform to cater to the highly interdisciplinary area of condition assessment and strengthening of civil infrastructure. Conducted biannually, CARRS brings together the research community, practicing engineers, contractors, academicians, and government agencies to jointly discuss various aspects of rehabilitation and retrofitting. The last edition of CARRS was held at the Indian Institute of Technology Hyderabad in 2023 with vigorous participations from academia as well as industry.

About IIT Roorkee

The Indian Institute of Technology Roorkee is the oldest technical institute in Asia, with an illustrious history of 175 years. It is among the foremost of institutes of national importance in higher technological education and in engineering, basic and applied research. The Institute offers Bachelor's Degree courses in 10 disciplines of Engineering and Architecture and Postgraduate's Degree in 55 disciplines of Engineering, Applied Science, Architecture and planning.

Call for papers and tentative timeline

Technical papers are invited from researchers, engineers and scientists working in the field of retrofitting and rehabilitation of structures. The website and submission links shall be made available soon by December 2024.
